GoGo Check-In Cookie Register

Updated 21st January 2020

This list contains cookies you may encounter through the use of our Service(s).

Strictly Necessary cookies are used to deliver the essential parts of our Service(s) and display our sites. You cannot opt out from Strictly Necessary cookies.

Persistent cookies remain on your device across sessions. They do not have an explicit expiration period, however may be removed periodically in the normal course of Site usage.

First Party Cookies

Cookies that we commonly use are listed below. This list is not exhaustive but describes the main reasons we typically set first party cookies.

Cookie Name	Category	Expiry	Description
Firebaseui::rememberedAccounts	Functional	Persistent	This cookie stores a list of accounts that have previously signed in to our Site using Google Firebase Authentication. It is used to display those accounts as a selection to the user upon sign-in.
GoGoIDToken	Strictly Necessary	Persistent	Authenticates the user
GoGoLogo	Functional	Persistent	Stores a link to corporate branding logo
GoGoUnreadPraise	Functional	Persistent	Stores a counter of how many Praise messages are unread
Cookieconsent_status	Functional	1 year	Records user response to cookie request

Third Party Cookies

Cookie Name	Category	Expiry	Third Party	Description	Notes
__stripe_mid	Functional	10 minutes	Stripe	Used to aid in fraud detection. For example, this cookie data helps Stripe fraud systems recognize the patterns of fraudulent actors and stops them prior to making a purchase in order to help protect your business.	https://stripe.com/cookies-policy/legal
__stripe_sid	Functional	1 year	Stripe		
_ga	Analytics	2 years	Google Analytics	Used for Google Analytics functionality to distinguish users	https://developers.google.com/analytics/devguides/collection/gtagjs/cookie-usage
_gid	Analytics	24 hours	Google Analytics
